Rear Admiral Hillenkoetter, USN.,
Director of Central Intelligence,
Central Intelligence Agency,
Washington 25. D. C.

Dear Admiral Hillenkoetter:

With reference to your letter of
24 May 1949. in reply to my communication, dated
4 May 1949 through Representative J. Percy Priest,
of Tennessee, regarding my desire for employment
by the Central Intelligence Agency, I wish, in
this most critical time, to again offer my
services to the Agency.

It would certainly seem that there is
need of additional members for the safety of our
country.

travel abroad, etc etc., should,
in my opinion, qualify me for a position in the Intelli-
gence Service.

I plan to go to my native-State of Tennessee
soon. I could call on you in Washington at any time you
suggest for a personal contact.

Believe me,

Sincerely yours,

(Signed)
